

## WEST DEAN PARISH COUNCIL

We were delighted to welcome Mrs. Ursula Cochrane to the Parish Council at our September meeting. A bye-election was offered, but as no-one came forward, we were asked by Chichester District Council to fill the vacancy by co-option.

Work should be completed on the Lychgate at West Dean Cemetery in October or November, with additional underpinning being done to secure the structure.

The Parish Council and the PCC are working together to tidy and make safe the table tombs in St. Andrew's Churchyard. One is being laid flat, and the others will be fenced off to avoid any risk of injury. Please ensure that you exercise caution when going near the tombs and do not allow children to play on them.

The installation of the new 30mph limit has been delayed owing to the County Council's change in contractors, but we are applying as much pressure as possible to get this done promptly. A site meeting is being arranged to discuss this, together with better safety measures outside the school.

***NEXT PARISH COUNCIL MEETING: Wednesday 9 November 2011 at 7.30pm in Room 115 at West Dean College.  
Members of the public are welcome to attend and to speak during the public session.***
